### SOUTH FORK CAMPGROUND & CAMPSITES

Mariah has a very large private campground on the South Fork of the American River. Located on the banks of the river the individual campsites are reserved just for Mariah guests, and are designed for different sized groups, families, couples, and solo adventurers. Most of the sites have a view of the river.

Located nearby are hot showers, flush toilets, special "swimming holes", plus volleyball, horseshoes, covered Ping-Pong area, walk-in camp store, beverage garden, coffee corner, healthful and abundant food....and more! • If you have your own tent, feel free to bring it; there is plenty of room for you to pitch your own tent. • Private meal preparation is allowed only at three of the campsites: Swimming Hole 1, Swimming Hole 2, River Overlook. These sites are designed for large groups. Please contact the office for more information.
