TRIP ITINERARY

Get ready for a great day on the river! We board our river van and head for the river about 45 minutes away. Enroute your guides will present orientation and safety information. At the river launching site you will receive your river gear including a paddle, helmet and life jacket, and any reserved wetsuits. We will launch our boats, practice paddling skills with our guides and head for the excitement and fun of Staircase and Chamberlain Falls!

We stop around midday for a hearty lunch on the riverbank, enjoy the peace of the remote canyon and then continue the day's run with more big rapids and time to relax and enjoy the awesome granite walls of our wilderness canyon. Our shuttle vehicle will greet us at take-out with beverages for the ride back to your cars. You'll head for home happy, relaxed and full of memories from a great river trip experience!

DIRECTIONS

If you are flying, the closest airport is Sacramento, which is about an hour's drive to Auburn.

Take Hwy. I-80 East from the Bay Area and Sacramento to Auburn. Continue 2 miles east of Central Auburn on I-80 to the Auburn/-Ravine/ Foresthill exit. Turn right at the exit and left at the signal; then right into the Raley's Supermarket parking lot. Continue around to the back of Raley's to park. Look for a Mariah Wilderness Expeditions vehicle. You will transfer your things to our vehicle and ride to put-in. Your hotel in Auburn will be able to give you directions, also, since Raley's is a large, major supermarket in Auburn.

PHOTOS & GRATUITIES

We are frequently asked if it is customary to tip the guides. Our guides' goal is to provide you with a fun and safe river trip. The guides do not expect a tip. However, they enjoy a token of your appreciation for a job especially well-done. A popular gesture seems to be for each crew to present their guide with around \$10 per rafter at the end of your trip.
